Apartment  
**Bela**

**Apartment Bela** is available for rent in a traditional house in the beautiful surroundings of Robanov Kot – the most perfectly preserved glacial valley in the **Solčava region**.

The quiet and cosy apartment in the centre of the picturesque valley is an ideal vantage point for hiking, mountaineering, cycling or simply enjoying breathtaking nature.

A spacious living room with two supplementary beds, SATV and well furnished kitchen, bedroom with two beds and bathroom with a shower provide for a comfortable stay.

**The village Solčava**, where you can find a grocery shop, post office and gas station, is some 4 km away.

The village also has a modern tourist information centre, **Center Rinka**, where delicacies from the neighbouring farms are available for purchase.

The closest option for a full meal is in the 100 m removed and highly rated **Tourist farm Govc – Vršnik**.
